Dear all,

APPRECIATION FOR SUPPORTING THE HOPE FOUNDATION AIDS WALK IN ZAMBIA AND THE UNITED STATES OF AMERICA (USA)

The year 2019 came and went so quickly, but allowed us to accomplish more than we had planned for.

Zambia has 1.2 million people living with HIV of which only **89%** knows their HIV status. Our core focus at the Winnie Musonda (**WM**) Hope Foundation is to make sure that **AFFECTED or INFECTED**, we all work together to better the treatment of HIV/AIDS. We aim to help children born with the HIV virus live a normal life. Currently, we have adopted seventy five (**75**) children who are registered at Matero Level 1 Hospital, making sure that they are all well medicated. We shall continually work to ensure every child is properly educated, given the right medication as well as healthy nourishment. ***"Our 2019 WM Hope Foundation AIDS Walk Zambia"*** was a great successful Event. We therefore, say a big thank you to the support and donations we got from you. We are beyond being thankful!

A special thank you goes to the following institutions and organisations:

1. Ministry of Health Zambia,
2. Barclays Bank Zambia
3. Zambia police service -Lusaka Division headquarters
4. Cityliny Church (USA)
5. California Beverages
6. Young Women Christian Association (YWCA)
7. United Church Of Zambia (UCZ)
8. CIDRZ
9. Dreams

In this noble fight to attain global epidemic control and sustainable livelihood for both the infected and affected, we also wish to convey our utmost gratitude to our face book, instagram, twitter and family friends for you moral, physical and spiritual support that you have been rendering to this noble cause.

You all played a huge role in making the walk a success. The purpose of the AIDS Walk awareness is to make sure that we have a facility for adolescents

and the underprivileged children. Therefore, WM Hope Foundation is joining the rest of the world in embarking on the journey to end HIV/AIDS by 2030. Our commitment is to do whatever we can within our means and through the help that we get from you, our cooperating partners to make a difference in the lives of many children. **WM Hope Foundation** says thank you!

You have made a real difference in the lives of the young children we serve. Thank you once again as 100 children will go to bed well fed, well-nourished, and better off than ever through your helping hand.
